A Brief Introduction to Chichila Rural Municipality, Sankhuwasabha

With the implementation of federalism, when the state was restructured, Diding Village Development Committee and Matsyapokhari Village Development Committee in the north-eastern region of Sankhuwasabha district merged and were named Chichila Rural Municipality. The highest and lowest land elevations at sea level are 2350 m and 500 m, respectively. The total area of Chichila Rural Municipality is 88.63 square kilometers. The municipality is located in the east region of Sabhapokhari Rural Municipality, the south region of Khandbari Municipality, the west region of Silichong Rural Municipality, and the north region of Makalu Rural Municipality in Sankhuwasabha district. The Koshi-Lhasa Highway passes through this municipality.

According to the national census of 2078, Chichila Rural Municipality has a population of 6,577 people, 1664 households, and a population density of 74.

(Source: <https://censusnepal.cbs.gov.np/results/population?province=1&district=2&municipality=4>).

Chichila Rural Municipality is geographically a hard rock, soft rock, and mountain area. The majority caste is Rai and Gurung, followed by Ghale, Sherpa, Tamang, Chhetri, Brahmin Biswakarma and Damai. In terms of language, Nepali is used as the mother tongue. After this, there are Rai, Sherpa and Tamang. In terms of religion, most people follow the, Budhhist religion, Hindu religion along with the Kirat religion and the Christian religion (Source: National Census 2078).

There are a total of 20 schools in the educational field in this rural municipality. The literacy rate of this rural municipality is 80.4% (male: 86.3% and female: 74.6%). The net enrollment of classes 1–8 is 1046; the gross enrollment is 1571. The survival rate in class 8 is 100%. Similarly, in the health sector, there is a 5-bed community hospital under construction; however, the community health post is 6 and the village clinic center is 7 in the rural municipality. There is under construction the 900 MW ARUN3 Hydropower Project at Chichila Rural Municipality, Ward No. 3. There are no other industrial businesses or factories in the rural municipality apart from normal hotels, shops, and financial institutions. There are few opportunities for employment at the local level. Due to the land structure of this rural municipality, there is a lot of potential for agriculture, Herbs, Animal and Poultry and tourism as there is a high mountain area with a very cool climate and fertile soil, and the lower Basi is at the confluence of the warm climate and the highlands. More than 90% of the population depends on agriculture in this rural municipality; if it can be modernized and expanded in the agriculture sector, it will create employment as well as economic and social development in the rural municipality.

Relief assistance to hailstorm-affected farmers

By Dhyen Kulung
Sankhuwasabha, Jan. 15

On November 25, hailstorm damaged paddy and millet alongside other cash and food crops of the farmers in Chichila Rural Municipality. Following the damage, the rural municipality provided food relief to 225 families of farmers in Ward No. 2 on Saturday.

With the economic assistance of other helping hands, the municipality distributed a total of 25,200-kilogram rice to the affected families.

"We will also distribute the rice to the affected ones in Ward No. 1 on Sunday," said Pasang Nurbu Sherpa, chairman of the municipality.

Chichila's chief administrative officer Shukradevi Rai informed that a team consisting locally elected representatives, farmers and local activists had recommended the list of families to be provided with the relief. The team had inspected the damage and collected the reports after the hailstorm.

According to Rai, the relief was handed in proportion to

the family size, and it was not a compensation for the damage but a support to the farmers to continue

their livelihoods.

Officials at the municipality also stated that if any affected

families didn't get listed in the relief programme, they could contact the office.

गोरखापत्र पुनर्निर्माण गर्न जनता र प्रतिनिधि संगसंगै

ध्यान कुलुङ
सङ्खुवासभा, साउन १० गते

सङ्खुवासभामा यस वर्ष पहिरोले सङ्घीय सरकार विस्थापित बनाएको छ। बाढी र पहिरोले नागरिकलाई विस्थापित मात्र बनाएन विभिन्न संरचनामा समेत क्षति पुऱ्याएको छ। यस वर्ष हालसम्म चिचिला गाउँपालिकामा सबैभन्दा बढी क्षति पुगेको जिल्ला विपद् व्यवस्थापन समितिको तथ्याङ्कमा छ। बाढी पहिरोले चिचिला गाउँपालिकामा मात्र १६ परिवार विस्थापित बनाएको छ भने डाई डाईमा पहिरो जम्मा सडक तथा गोठो जस्तामा क्षति पुगेको छ। भौतिकी विपद् भन्ने भन्ने काम भएपछि भौतिकी सडकलाई समेत नसकेको संरचना समेतका लागि जनप्रतिनिधिहरूको स्थानीय समूहमा जुट्न थालेका छन्।

भौतिकी संरचना विपद् गर्न पालिकाको बजेटले तपुने भएकाले स्थानीय नागरिकलाई समुदायका लागि जनप्रतिनिधिहरूले आन्तरिक संरचना समेतका जुटेका छन्। चिचिला बाढी र पहिरोले चिचिला गाउँपालिका-४ बाट समुदाय सुरु गरिएको बाढी नक्का ५ का अन्त्यमा चालाकुमार सामाङको जानकारी दिनुभयो। सडक समेतका लागि नागरिकलाई समुदायमा जुट्न अनुरोध गरेको बाढीपछि सामाङको बताउनुभयो।

नागरिकलाई समुदायमा आकर्षित गराउन गाउँपालिका अध्यक्ष, उपप्रमुखलाई समेत जनप्रतिनिधि अग्रपङ्क्तिमा खटिएको गाउँपालिका अध्यक्ष पासण्ड जुडे रोपाको बताए। समुदायमा सबै जनप्रतिनिधि सहभागी हुँदा स्थानीय व्यवस्थापन समुदायमा जुटेको अध्यक्ष रोपाको बताए।

"स्थानीयवासीले यसअघि पनि समुदाय नगरेको न होइन तर सबै जनप्रतिनिधिको प्रयासबाट सहभागिताले अब व्यवस्थापनको छ।" अध्यक्ष रोपाको भन्नुभयो। बाढी नक्का ५ बाट सुरु गरिएको समुदायमा अन्य बाढीको साथै सबै जनप्रतिनिधिको सहभागिता रहेको उहाँले जानकारी दिनुभयो।

बाढीले बाढी बनाएको सडकलाई पुर्ने सल्लाह हान्ने चिचिलावासी।

सल्लाह : ध्यान कुलुङ

चिचिला गाउँपालिकाको अधिकतम सडक बाढी र पहिरोले भत्काएको छ। उक्त सडक समेतका लागि करिड भन्दा बढी रकम आवश्यक पर्ने गाउँ कार्यपालिकाले अनुमान गरेको थियो। उक्त बजेट गाउँपालिकाबाट विनियोजन गर्न सक्ने अवस्था नभएपछि पालिकावासीलाई समुदायको आह्वान गरेको गाउँपालिका अध्यक्ष रोपाको बताउनुभयो। गाउँपालिकाको मालिकको क्रमगत आयोजनामा ठूलो रकम राख्नु पर्दा विपद् कोषमा पर्याप्त बजेट राख्न नसकेको अन्त्यमा रोपाको भन्नुभयो। जिल्लामा नै चिचिलालाई खसिभन्दा थोरै बजेट राख्न भएपछि विपद्मा आवश्यकताअनुसारको बजेट राख्न नसकेको उहाँले प्रष्ट पार्नुभयो।

यस वर्ष भौतिकी साथै सबै संरचना समुदायले नै सम्पन्न गर्ने तयारी गरिएको विपद्

व्यवस्थापन समिति संयोजक एवम् बाढी नक्का ५ का अध्यक्ष जितबहादुर राईले जानकारी दिनुभयो। अन्यथासकत तत्ता मानवीय जीवनबाट सम्भव नभएको डाईमा साथ पालिकाको बजेट प्रयोग गर्ने अवस्था राईले बताउनुभयो। अधिकतम वर्ष २०७९/८० मा विपद् व्यवस्थापनको लागि ५० लाख खर्च रकम विनियोजन गरे पनि उक्त रकमको विस्थापितको पुनर्व्यापन गर्न अपुग हुने राईले जानकारी दिनुभयो।

चिचिला गाउँपालिका बाढी र पहिरोको साथ समेत अतिनाको पनि प्रयोग क्षेत्र हो। गत महिनासम्म धाँकको धाँकलाई अतिनाको बजेट नभएको थियो भने गत विनाशमा उद्दिष्ट गरेको मकै, आलुगायनका वालीलाई नष्ट गरेको थियो। उक्त क्षति जपान पनि गाउँपालिकाले सोझैलाई सहन विनियोजन गरेको थियो।
